

To The Press, Radio and TV:

A complete guide to your coverage of the University of Florida football Gators is the prime object of this brochure. We hope we got the job done.

If there is any question not answered within, fire it our way. That, precisely, is what we are here for.

Also, feel free to call on us at any time for photos and additional material on the Gators. If you want a special story on your hometown boy, let us know.

You know about Florida's pressbox. We think it is one of the nation's best, as is evidenced by it winning the Football Writers Association Merit Award in 1955 and 1957.

When you arrive in Gainesville, you are heartily invited to drop in the Sports Publicity Office (Room 102), located in the southwest section of the new Florida Field addition. Along with information, we have everything you need—typewriters, telephones, paper and even a fair brand of coffee.

In the use of your press box ticket (for all decks, including the movie one), you will enter the stadium entrance near the main gate on the west side of the stadium. Go through the glass doors, show the attendant your press pass and the elevator operator will escort you to the proper press deck. Please wear your press box ticket at all times

Properly assigned photographers may work from either the sideline or the press box, or both, in either Gainesville or Jacksonville. It is required that the photographer be covering the game on specific assignment, however. The crowded conditions naturally prevents us from allowing free lance photography.

We now have individual dark rooms available in our Gainesville

facilities.

Make your request for working press tickets well in advance to Norris Anderson, director of sports publicity, University of Florida, Box 2787, University Station, Gainesville.

Elsewhere in the brochure, you will note complete details on proce-

dure for lining up radio broadcasts and the pressbox itself.

And, in parting, here's wishing you a maximum of exciting football.

Sincerely, NORRIS ANDERSON Director of Sports Publicity

RADIO BROADCASTS

Out-of-state stations must notify the Athletic Association of the visiting team (Mississippi State, Virginia, LSU, Georgia, FSU, and Miami) of their intent to broadcast. Having done this, stations should advise Norris Anderson, Florida Sports Publicity Director, so that he may assign you to a radio booth and issue tickets. Official letter from the visiting team designating the station as visiting representatives must accompany the request. If desired, spotters will be provided at the cost of the station of \$10.00 a man. Arrangements for the broadcasting telephone line to the stadium must be arranged by the station with the telephone company or A. T. & T.

A RECORD CROWD of 44,403 including 29,403 customers and 15,000 student fans packed Florida Field last year to see Florida defeat Florida State, 21-7, in the first game played between the two state schools. This year's Florida-FSU game is also scheduled at Florida Field.

BOB WOODRUFF

BOB WOODRUFF

Director of Athletics and Head Football Coach

"A hard core of dogged determination in a bundle of calm." That description by the Late Walter Stewart best describes gentlemanly Bob Woodruff, entering his 10th season as athletic director and head football coach at the University of Florida.

Woodruff, careful thinker and executer as befits an old Tennessee tackle of the Gen. Bob Neyland school and a graduate engineer, has

distinguished at Florida in a dual capacity.

As a Football Coach

Before Coach Woodruff came to Florida in 1950, Gator football was at a low ebb. In the previous four seasons, Florida teams had won only 13 of 39 games and were usually in the Southeastern Conference lower division.

They became "The Fighting Gators" in every sense of the word under Coach Woodruff. In his first three seasons, he guided the Gators to a 17-13 record and a bid to meet Tulsa in the Gator Bowl, the first bowl invitation ever received by a Florida team in nearly 50

years of football.

Instead of being a conference doormat, per the pre-Woodruff days, the Gators have become a perennial first-division threat under the

old Tennessee lineman.

His 18-8-3 record of the last three seasons climaxing in a second Gator Bowl bid after the 1958 season, is one of the best in the SEC over that span. For two straight seasons, his Gators have been nationally ranked among the top 20 teams.

His '58 team, also ranking among the top 10 teams in rushing defense, outplayed national champion Louisiana State, only to lose 10-7 on a field goal in the dying moments. The Gators lost another

close one, 6-5, to second-ranked Auburn.

While compiling an overall record of 48-38-5 at Florida to bring his career head coaching record to 66-48-7, he produced three All-Americans in tackle Charley LaPradd, 1952, guard John Barrow, 1956, and tackle Vel Heckman, 1958. Under him, seven Gators have made All-SEC first teams, 10 on second teams and 13 on third teams.

His teams have impressed nationally for soundness in the fundamentals of blocking and tackling, a trait reflecting his background as a player and later a coach under Gen. Neyland and as an assistant to Col. Red Blaik at West Point. A man who thinks to a careful conclusion, Coach Woodruff is always identified with well-disciplined teams and deeply loyal associates.

As Athletic Director

Coach Woodruff's first recommendations to the Athletic Board on arriving at Florida in 1950 were:

(1) Build a stadium addition at Florida Field.

(2) Schedule Southeastern Conference games on a home-and-home basis except for playing the Georgia series in Jacksonville.

(3) Provide a football schedule for the students, alumni and general public that would stimulate sales of season tickets so that football gate receipts could pay for the stadium and provide the best possible all-around program in all sports.

His policies have paid off.

The stadium addition, in fact, was completed in time for the Miami game in 1950. Florida Field's seating capacity has been increased from 22,500 to 44,000. Space under the stadium addition was also provided for 60,000 square feet of housing for athletic offices, radio station WRUF, the School of Journalism, University Press and the University television studios.

Football gate receipts have more than doubled during his tenure. Season ticket sales have increased every year, another tribute to improved scheduling. More big games have been brought to Florida

Field than ever before in Gator history.

A new modern pressbox, seating 240, has been built during the Woodruff regime. Its superb facilities won the University the Football Writers Association of America award in 1955 and 1957, making Florida one of the few schools to twice win the honor.

The baseball field has been relocated to a handy location between Florida Field and the new track. A new quartermile, asphalt-type running track has been built. The idea of Florida track coach Percy Beard, the track has been acclaimed by track coaches over the nation.

New varsity tennis courts were constructed. A modern field-house is now available for spring sports. A new type Tifton 57 Turf for all athletic fields was pioneered at Florida in 1950 and now is used by most Southeastern Conference schools.

During the Woodruff regime, the University Athletic Association has allocated over \$180,000 in scholarships for non-athletes and \$21,000

for completion of the Alumni Tower.

The soundness of his all-around program is illustrated by three Gators making All-American teams in three sports during the last school year: Vel Heckman in football, Tommy Aaron in golf, and Perry McGriff in baseball.

Truly, his policy of "any sport worth having is worth supporting" has been well carried out. In all sports, the Gators boast the best all-around won-lost record in the SEC during the nine years under Athletic Director Woodruff.

Born in Athens, Ga., March 14, 1916, Coach Woodruff moved with his family to a farm near Cuthbert in that state in 1918. He played on Cuthbert High's first football team before moving to Savannah where he played three years for Savannah High.

He was a standout tackle for the University of Tennessee in 1936-37-38 on teams that won 23 games and lost only five. After receiving his engineering degree, he remained on the Tennessee staff as an assistant to Gen. Neyland in 1939 and 1940.

Entering the Army in 1941, he was discharged as a major in 1946. During that period of service, he was an assistant coach in 1944 and 1945 at West Point where he helped Coach Red Blaik guide the Cadets to a pair of national collegiate championships.

In 1946, he was a line coach at Georgia Tech. A year later, he became head coach at Baylor.

When he arrived at Baylor, he was confronted with the terrific task of lifting a second division Bear squad into a position of prominence in the tough Southwest Conference.

He moved fast. His first squad claimed four quick victories in a row, including an upset triumph over Arkansas. A powerful Texas team broke the string, but the Bears went on to a respectable 5-5

The following season, Baylor posted an excellent 6-3-2 record, including a Delta Bowl victory (20-7) over Wake Forest. A year later, in 1949, he really boomed into the national spotlight as his Baylor team hit the "Top Ten" with an 8-2 record.

At Florida where he became head coach and athletic director in 1950, he found many of the problems that existed at Baylor. The Gators were an ideal "homecoming opponent" for others in the South-

eastern Conference.

All of this changed as the Gators became one of the most respected teams in the conference during his first three years. They tied for third in the SEC in 1954 with a fine 5-2 record against a rugged field, marking the highest ranking gained by the Gators since formation of the Conference in 1933.

His Gator team was overall 6-3-1, also good for a third-place SEC finish. The Gators again finished in a tie for third in 1957 with

a 6-2-1 record, overall.

Coach and Mrs. Woodruff (Margaret) have three sons: Scooty, 15, Mark, 6, and Joe, nearly three.

Hobart (Hobe) Hooser was born at Haley, Tennessee, and was graduated from the University of Tennessee with a Bachelor of Science degree in Education in 1928. He later earned a Master of Arts degree from Peabody (1942). As a player with the Tennessee Vols (1925-6-7), the team won 22, lost 2 and tied 2. He was head coach at Johnson City for two years, then guided Lake City for eleven years, his teams winning 73, losing 30 and tieing 7. He returned to the University of the Viniversity o

versity of Tennessee as line coach under Coach John Barnhill in 1942, the year the Vols defeated Tulsa in the Sugar Bowl. After three years in the Navy, including service in the Pacific, Hooser became football line coach and head track coach at the University of Arkansas for the seasons of 1946-47-48-49. The Razorbacks were the Southwest Conference title winners and tied LSU in the Cotton Bowl that first season. In 1947 they defeated William and Mary in the Dixie Bowl. Since joining the Florida staff in 1950, Coach Hooser has produced consistently strong defensive lines. In helping guide the 1952 Gators to their victory in the Gator Bowl, Coach Hooser then had been a coach on four bowl teams. He is married to the former Gertrude Morgan of Richard City, Tennessee.

COACH JOHN MAUER

John Mauer was born in Aurora, Ill., and is a graduate of the University of Illinois. Receiving a physical education degree in 1926, he also won the Big Ten Medal for scholarship and athletics. He became head basketball and assistant football coach at Tennessee in 1938, serving until 1947. Mauer, the head basketball coach, received one of the greatest honors that could come to one engaged in athletics. This October, Coach Mauer was elected to the Helms Hall College Basketball Hall of Fame. The Helms Foundation cited Mauer for his 30 years of distinguished achievement as a college basketball coach. Coach Mauer came to the University of Florida from West Point in 1951. Coach and Mrs. Mauer (Grace) have two sons—Jack, 31, a graduate of West Point, and Ronnie, 25, is a graduate of the University of Florida.

After junior college he enrolled at the University of Tennessee in 1929, graduating in 1933. He played tailback for the Vols during his undergraduate days. Robinson's first coaching experience came at Ducktown (Tenn.)

High School for two years, before assuming the position of football coach at Central High in Knoxville, where he served from 1935 through 1941. He went into the Army in 1941, taking part in its physical reconditioning program. Following the war, he returned to Tennessee as assistant coach in 1946. Robinson became head offensive coach and assistant athletic director of the Vols in 1950, and then served as head coach in 1953 and 1954. September, 1946. In addition to assistant backfield coach in football, a position he was promoted to this past spring after having served as freshman coach, Fuller is also head baseball coach. FLORIDA'S BOWL RECORD NOW EVEN

Florida's loss to the University of Mississippi, 7-3, in last year's Gator Bowl game evened Florida's bowl record at one win and one loss. The first time Florida went to a bowl game was in 1952, when Bob Woodruff's charges edged Tulsa, 14-13, in the Gator Bowl.

Last year's Gator Bowl game was a thriller. The punting of Florida halfback Bobby Joe Green was the game's highlight. Green's 76-yard quick-kick in the fourth quarter set a new Gator Bowl punting record. He also boomed a 54-yarder earlier in the game. Mississippi scored in the first quarter, as did Florida on Billy Booker's 17-yard field goal. The rest of the game saw the Rebels fight off repeated Florida threats. A 56-yard kickoff return by Jimmy Dunn was the game's offensive highlight.

CAPTAIN DAVE HUDSON

The University of Florida's 1959 captain is Dave Hudson, a 6-1, 225-pound senior from Pensacola. Picked on the All-SEC's third team last year, Hudson is given a good chance to make All-American honors this year. (Continued on Page 72)

GREEN WAVE OUTLOOK

Tulane will be improved in 1959 with 24 lettermen returning to provide experience, better depth and defensive improvement.

The Wave will be somewhat larger and the kicking game that has been very weak in recent years figures to be strong with Bob Cornett, Mike Williamson, Jim Magee and Percy Colon all accomplished punters.

The only real problem appears to be experience at quarterback where the loss of Richie Petitbon to pros with one year of eligibility left, has left the Wave short. Phil Nugent, who lettered in reserve role last year is a fine replacement with passing and running equal to Petitbon, but he does not have the game experience. Bob Cornett, a real talented quarterback, will push Nugent for starting job. Williamson and Jeff Bratton round out the signal callers. Bratton is a twoyear letterman at halfback and fullback who was moved in to add solid group at qb slot.

Ends are solid with Bill Brabham, who developed fast in '58 as soph and Leo Young and Pete Abadie leading the group. Abadie and

Young were ranked 2-3 in SEC receiving last year.

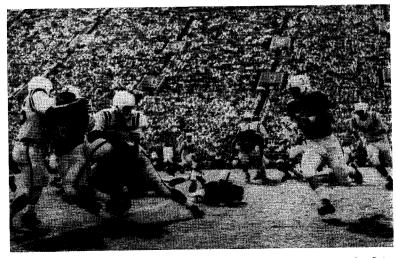

Moving big Dave Painter 6-7, 235 to tackle from center will strengthen tackle posts. Joe LeSage, Bernard Darre, and Bill Klock are all experienced tackles.

MAROON OUTLOOK

After being picked to finish third in the nation last season, Mississippi State went into a tailspin following a thrilling, 14-7 win over Florida and ended in the Southeastern Conference cellar.

The Maroons, with an all-senior outfit, played two brilliant games -the Florida battle and a 7-6 losing effort against National Champion Louisiana State.

This year the Maroons are picked to finish 11th in the SEC preseason poll. Maroon backers are hoping the experts will be proved wrong as they were last year.

Wade Walker's 1959 Maroon edition is loaded with sophomores. And the Maroons have a new offense, the Double Wing, in place of the Split-T.

Tackle Walter Suggs, named to the pre-season All-SEC club, and center Tom Goode are expected to bulwark a potentially rugged defensive crew.

And a pair of rookie quarterbacks, Billy (Tootie) Hill and Billy

Tohill will trigger the State offense. Willie Daniel and Pat Shute are a pair of experienced halfbacks. Frank Skipper and Bill Schoenrock return for fullback duties.

You will see a lot of new faces in the Maroon backfield. Besides the new signal callers, the Maroons are counting on Bobby Bethune. Lee Welch, Tommy Guest, Jimmie Daniels and Ira Coates for a lot of halfback duty, and G. T. Thames and Walter Flowers at fullback. Flowers, a 1956 halfback letterman, will rejoin the squad after Marine service.

VIRGINIA CONTEST RENEWS ACC RIVALRY

After a year's layoff, the University of Florida renews its rivalry with the Atlantic Coast Conference. The Gators hold a 2-1-1 advantage over ACC teams.

The first game Florida played against an ACC club was in 1952, when Bob Woodruff's charges routed Clemson, 54-13. In 1954 Frank Howard's Tigers evened the score with the Gators, winning 14-7. In 1956, Clemson and Florida battled to a 20-20 deadlock. Florida took the advantage in the ACC series in 1957, dropping Wake Forest, 27-0, in the season's opener.

CAVALIER OUTLOOK

Virginia will be presenting a young team this year with only nine lettermen returning and probably not more than five in the first unit.

But the '59 squad will have more size individually and better team speed. Most important losses are Reece Whitley, quarterback, who ranked high among the total offensive leaders when he was hurt in the fourth game of the '58 season, and Ulmo Randle, halfback, one of the outstanding pass receivers of the year.

Likely to be installed at quarterback on a full time basis is Arnold Dempsey, who played regularly as a sophomore during the last half of last season and finished as the ACC's leading passer in number of completions. John Barger, No. 1 fullback all season, returns as an experienced junior.

Along the line, men of previous varsity experience who have given promise of sticking with the first team are Bob Edwards at center,

Louis Martig at guard, John Marlow at tackle, and Brerry Jones and Smythe Wood at the ends. Wood and Marlow are non-lettermen.

Brightest of the new sophomore backs are Ted Denby and George Toth, who are tentative selections for the first backfield. Both are 200-pounders. Fastest of the new backs is Tony Sepp, who was a 9.7 sprinter in high school.

Improvement will be noted at the tackle positions but guards are trouble spots. Heading a group of large tackles is Ron Gassert, a solid 220-pounder who is expected to achieve a full measure of college football stardom.

OWL OUTLOOK

This will be the 20th Rice team for the respected Jess Neely at Rice. The squad is far from his best in personnel, but the wily Owl

JESS NEELY

boss can be counted on to get the most from his material. In 1957 they were picked to finish fourth in the well-balanced SWC, but won the championship. Last year again they were tagged for fourth, but wound up tied for second, though the season record was only 5-5 because of nonconference setbacks to such foes as unbeaten L.S.U. and Army.

On paper, Rice's principal strength is in the line from tackle to tackle where most regulars return and there are some talented sophomores. The Owls will be big and deep at these positions, but thin at end and fullback.

Consistently a national power on the collegiate grid scene, the

Rice Owls will have another formidable team in 1959 to compete in the rugged Southwest Conference. Again, though, the school with the smallest enrollment in so-called "big time" college ball will be taking on an extremely tough schedule.

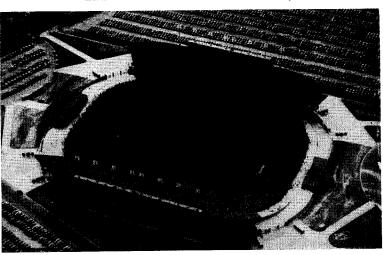

Floridians will have a good chance to "scout" the Owls since they open their campaign with '58 national champion L.S.U. on national TV on September 19th. Their clash with Florida will be their own home opener, with the Gators one of four major bowl game participants of last season on their card.

The important quarterback post in Neely's standard T attack will be manned by Jon Schnable and Alvin Hartman, who shared the manuader duties last fall. There are an adequate number of lettermen at the halfbacks, but no veterans at fullback.

A lot of the Rice hopes depend on how well stellar soph Roland Jackson comes through as middle man on the top of the T. Tri-captain Bill Bucek, who kicked four field goals last fall, is the probable starter at left half with letterman Max Webb at right half.

The loss of All-American Buddy Dial and Gene Jones by graduation leaves the vital end positions in green hands except for tri-captain Bill Simmons, a reserve last fall and the only letterman returning at end.

COMMODORE OUTLOOK

Vanderbilt football for 1959 will again rate with the best brands offered by the nationally recognized Southeastern Conference. Coach

TOM MOORE, Vanderbilt's All SEC half-back, is expected to be one of the best running backs in the South this year. A senior majoring in geology, Tom will captain the Commodores this year. He placed third in the SEC last year in rushing, gaining 584 yards for a 4.0 average.

Art Guepe has kept the Commodores in the top of the SEC for three of the past four seasons, and he plans to have them up there this year despite losing by graduation the entire center section of his '58 team. Center Ben Donnell, Guards George Deiderich and Billy Grover, QB Boyce Smith and FB Jim Butler were all outstanding in SEC play, as were Tackle Tommy Redmond and HB David Ray (punt return and interception leader).

Guepe's spring practice experiments wound up with Senior Bob Simmons and soph Cody Binkley battling for the pivot, and with Joe Bates, Travis Hughes, Dick Thompson and Dunlap Hurst all capable guard candidates. Jim McKee, a sharp passer long or short, is the QB, while Bobby Nay battles sophs Jim Johnson and Jim Burton to stay on top at FB.

All-SEC Tom Moore and his running-mate Mack Rolfe are a fine set of HB's, and sophs Guy

Tallent, Dan Davis and Charley Funk make for very promising reserve strength. Tackle is strong too, with Larry Wagner a solid all-SEC candidate and his '58 relief, Joe Wildman, scrapping with fine soph Jerry Murray for other spot. Commodore end corps is as strong as anyone's in the SEC, with five lettermen, of which four have been starters at one time or another. "Rooster" Akin is ablest, with his pass-catching ability giving him the edge. Ron Miller, Rayford Hilley, Fred Riggs and "Dan" Boone all play well on both offense and defense.

TIGER OUTLOOK

Everything points to a stronger football team for Louisiana State University in 1959. LSU has 31 lettermen returning, including eight starters and All-Americans Billy Cannon and Max Fugler.

However, LSU's chances of repeating its undefeated season are frightfully slim because of a schedule stacked with such capable opponents as Rice, Texas Christian, Florida, Mississippi and Tennessee—all aiming to upset the nation's No. 1 team of 1958.

Cannon, a 208-pound flyer at left halfback, plus two other All-SEC backs of last season, quarterback Warren Rabb and right halfback Johnny Robinson give the Tigers plenty of offensive potential.

Fugler, a rock-hard 210-pound center, whose speed and football savvy made him a great linebacker as a junior last season, will anchor a more experienced Tiger defense this year.

Five senior tackles and four senior guards should definitely strengthen the LSU line.

The weak spots are at end and fullback, but returning lettermen are expected to fill in ably.

HOMECOMING TO FEATURE GATOR-TIGER TILT

This year's homecoming game will be a top attraction on the University of Florida campus this fall. The Tigers were National champions last year and figure to be among the best in the country this year. Last year's Florida-LSU contest was a thriller, with LSU winning on a field goal in the last few minutes.

A crowd of 44,000 will be expected for the annual homecoming game. The Florida Field attendance record was set last Fall, when

44.403 fans saw Florida and Florida State battle.

BILLY CANNON, shown here scoring against Florida, will lead the L.S.U. Tigers into Florida Field, Oct. 24, in the Homecoming game.

TIGER OUTLOOK

Auburn should have another good football team in 1959, comparable to the teams fielded since 1953 (48 wins, 9 losses, 3 ties).

The Tigers of Coach Ralph Jordan copped the National Football Championship of 1957 and followed up with an unbeaten but once tied 1958 campaign. Auburn has won top National Defensive Honors for the last two seasons.

Six of the eleven 1958 starters will be missing—including such standouts as QB Lloyd Nix, End Jerry Wilson, and LH Tommy Lorine -but the returnees include pre-season All-Americas Guard Zeke Smith and Center Jackie Burkett, plus starters Tackle Ted Foret,

RH Lamar Rawson, and FB Ed Dyas.

The presence of Bryant Harvard, injured last season, and passing ace Richard Wood at quarterback should offset Nix's loss. Several sharp second-teamers such as Ends Bobby Wasden and Leo Sexton. Tackle Ken Rice, Guard G. W. Clap, and LH Jimmy Pettus are slated for 1959 regular duty.

Coach Jordan says of the 1959 Tiger team:

"We anticipate another good Auburn football team.

"Also, we realize that other Southeastern Conference teams will be just as good and many will be vastly improved.

BULLDOG OUTLOOK

Georgia's Bulldogs, smarting from a 4-6 season last year when they played well enough to have been 7-3, should have a team capable of holding its own with any other club in the SEC in 1959.

Twenty-three lettermen return, including eight of 14 linemen who started games last season; six of the top eight backs of last fall.

The outstanding linemen including left end Jimmy Vickers, senior and alternate-captain, outstanding on defense; right end Bill Herron, senior, best all-round end on the club; left guard Pat Dye, fleet junior who has made all-SEC frosh and all-SEC soph teams the past two

years, younger brother of former Bulldog stars Wayne and Nat Dye; right guard Billy Roland, perhaps the Bulldogs' top lineman, a rugged 215-pounder.

SEMINOLE OUTLOOK

Florida State, under new head football coach Perry Moss, is expected to have another outstanding season. The Seminoles, 7-3 last year, will have 23 lettermen back, including honorable mention all-Americans guard Al Ulmer, fullback (now halfback) Fred Pickard and end Tony Romeo.

The Seminoles lost four starters from last year's squad, including

honorable mention all-America halfback Bobby Renn.

Moss has introduced the finesse drive series into Florida State's offense. This is a composite of several types of offenses. It is based on simplicity and finesses with a similarity in all plays. It is basically a ball-control offense.

Florida State will be trying to even the score with Florida when the two state rivals meet at Gainesville for the second time. The Gators captured the inaugural game between the two schools, 21-7, last year.

Moss Successful Coach

Though FSU is Perry Moss' first head coaching job, his work as an assistant coach has been lauded. Moss received a great deal of credit for helping Andy Gustafson at the University of Miami.

When Moss came to Miami in 1954, he helped Gustafson install the drive series. From its 1953 record of 4-5, Miami gained Nationl ranking with an 8-1 mark in '54. While backfield coach at Miami, Perry saw the Hurricanes rise to great offensive fame with the drive series. Miami was 6-3 in 1955 and gained the No. 6 ranking in the country in 1956 with a 8-1-1 mark.

Moss left Miami in 1957 and became backfield coach at Wisconsin. At Wisconsin, Moss aided coach Milt Bruhn as the Badgers rose from the cellar of the Big Ten to become a title contender.

His FSU teams should prove to be exciting and tough.

(Florida Won 9, Miami 11) HURRICANE OUTLOOK

University of Miami in 1959 faces the most difficult schedule in 34 years of football at the school. The schedule is too tough to bring much optimism in the Hurricane football camp.

Miami this fall is changing over from the "Drive Series" to a new multiple offense and attack of the wide-open variety which features splits in the line, slot halfbacks and ends set as wide flankers. Some split-T will be used, while some of the Belly Series will be retained. Passing will play a more prominent part in the UM attack than in recent years.

When the Hurricanes lineup Sept. 25 to open battle against Tulane in the Orange Bowl, only two starters from last year's team, which won two and lost eight, will be in the lineup. The only pair of starters returning are Quarterback Fran Curci and Center James Otto.

In all, Gustafson has only 14 lettermen coming back to form the backbone of his 1959 team. Among the letter returnees are three quarterbacks (one of which missed spring practice); two halfbacks, two fullbacks, two centers, two guards, two tackles and only one end.

The squad as a whole is predominant in sophomore material, and there's good chance that at least three sophomores will be in the starting lineup when Miami opens against Tulane. The lineup at the end of spring practice had only four seniors, four juniors and three sophomores.

FLORIDA'S BIG THREE seniors last year pose for their final pictures as Gators. From left to right, end Don Fleming, tackle Vel Heckman and quarterback Jimmy Dunn, winner of the Fergie Ferguson Award. Picture was taken at the annual football banquet.

CAPTAIN DAVE HUDSON

(Continued from Page 19)

Hudson came to the University of Florida after he made high school All-American at Pensacola. He wasted no time in showing everyone that he was as good as his reputation said he was. As a sophomore, Dave played on the Blue unit (second team) and caught four passes for 40 yards. His junior year last season, Dave really came into his own. The crew-cut blonde caught 11 passes for 150 yards (team high) and was a terror on defense. He scored two touchdowns and was a dependable performer all season.

He had three great games last year, against Vanderbilt, Florida State and Mississippi in the Gator Bowl. Dave caught a five-yard pass from Jimmy Dunn in the last seven seconds to give Florida a 6-6 tie with Vandy. Against FSU, he blocked a Seminole punt and picked up the ball for Florida's first score. He later intercepted a pass which led to Florida's second touchdown and an eventual 21-7 victory. In front of a Nationwide TV audience, Dave's crashing play against Mississippi in the Gator Bowl put him in the early running

for 1959 All-American honors.

FERGIE FERGUSON AWARD

The Forest K. (Fergie) Ferguson Award is given in memory of one of Florida's finest athletes, one of the great all-time ends to wear the uniform of the Fighting Gators. The Award is made an-

nually in the form of a beautiful trophy, which remains in the permanent possession of the University of Florida, and is given to the football player selected as the Gators' most valuable senior each year. The winning player is announced at the annual spring banquet, and he is then invited to return to the campus to receive the award at the following Homecoming.

First to win the award was Malcolm Hammack, outstanding fullback on the 1954 eleven. Others were Center Steve DeLaTorre of the 1955

squad, and Larry Wesley, tackle on the 1956 team, and Jim Rountree, 1957 halfback.

Recipient for the 1959 presentation at the Homecoming game against LSU, October 24, is to be Quarterback Jimmy Dunn.

Idea for the Award was conceived by John Piombo, teammate and friend of Ferguson, and Dick Stratton, former Florida athlete and admirer of Ferguson. These two Jacksonville residents donated the original Ferguson trophy, which is displayed at all times in the Division of Intercollegiate Athletics trophy case.

About Fergie Ferguson

Fergie came to Florida in the fall of 1938 after having been a star end for the Stuart (Fla.) High School. He became a starting end for the Gators as a sophomore, and from that time wrote several records into the books. He caught 43 passes in the 1939-40-41 seasons, a career record that stands today. His record for the most yards gained on passes caught—668 for 3 seasons—still stands, and a record for the longest TD pass caught, 74 yards against Miami in 1941 remained on the books until 1954. Fergie was also a track and boxing star, and his javelin throw of 203 feet, 6½ inches, which won him a National AAU championship in 1942, is still the best throw ever made by a Florida athlete.

Fergie became a second lieutenant in the U. S. Army, and was severely wounded in the Normandy landing of 1944. He so distinguished himself that he was awarded the nation's second highest medal for gallantry in action. He died of war wounds ten years after the landing.

FLORIDA FIELD PRESS BOX

The diagrams on the opposite page afford a quick picture of just what's there. Four decks, starting at the bottom and going to the top (by elevator) (1) Photo Darkroom and Western Union, (2) Radio and Photographers, (3) Press and (4) Photo. Here they are in detail:

PRESS DECK: There are 48 seats on the front row and 47 on the back row. Each reporter has 34 inches of desk space and an adjustable, swivel chair that is bolted to the floor. Every seat has perfect vision—there are no uprights between any seat and the field and people walking along the front row are below the vision of folks on the back row. There are no windows on the press deck. A public address system operated exclusively for the press box gives all official information, including statistics on individual plays. There is a snack counter at one end of the press deck and ample toilet facilities at the other.

RADIO DECK: There are five ample-sized, acoustically tiled radio booths with glass windows that may be opened or closed, depending upon the desire of each announcer. The front row of each radio booth will seat four people very comfortably and five in a slight pinch. The back row seats three and is adapted for engineering equipment. Each radio booth may receive the press box PA announcements via headphones. There are two other booths, one for visiting coaches and one for the stadium public address system. Flanking the radio booths are large open-front decks for use by still, movie or television photographers. There are toilet facilities on the radio deck.

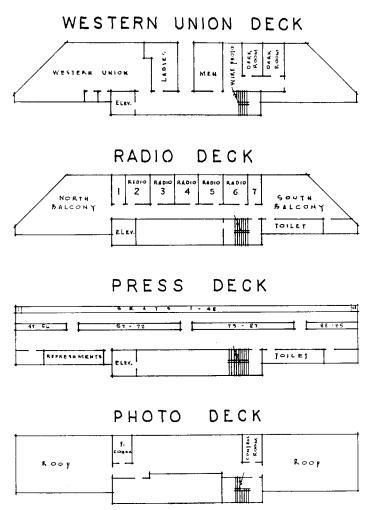

PHOTOGRAPHY DECK: This is a large open-front area at the very top of the press box. It has ample table space both in front of the cameraman and behind him. This deck also includes the Florida coaches booth and the stadium manager's booth.

WESTERN UNION and PHOTO DARKROOM DECK: This is the first floor of the press box and the first elevator stop coming up from ground level. The entire Western Union operation is carried out in a large room that provides every needed facility for transmitting copy. Messages are sent by pneumatic chute from the press deck to the Western Union room. This, of course, eliminates the necessity of having bulky and noisy page printers in the actual working press section. (When you have a message ready for sending, you merely hold it over your head, yell "Copy Boy" and one swoops down on it.)

This deck also includes newly added photographic darkrooms for

This deck also includes newly added photographic darkrooms for photographers who wish to process film at the stadium and telephoto room from which they may send pictures to the papers. While the places to do this work are a part of the press box, we are unable to furnish such equipment as enlargers, wire-photo sending sets, etc. Portable units must be brought by the cameramen.

We feel certain that you will thoroughly enjoy any assignment you have in Florida Field Press Box and sincerely hope that you will

FLORIDA HOMECOMING

All year long the people of Florida talk about Homecoming at the University of Florida. Homecoming means two days of continuous activity, highlighed by the double-feature attractions—Friday night's Gator Growl and the Saturday afternoon football game. Both draw capacity crowds of 44,000.

The game this year is with a fellow member of the Southeastern Conference, National Champs, LSU, Oct. 24.

Among other outstanding events are a parade of giant proportions, banquets, swim shows, alumni reunions, fraternity and sorority doings, and a Legislative Barbecue.

Back in 1906 the students decided to stage a "Dad's Day." Homecoming was the natural outgrowth of "Dad's Day" and in late years it has

become almost traditional for each one to surpass the last one.

Gator Growl, an all-student variety extravaganza that draws a packed house to Florida Field Stadium on the eve of the football game, came into the picture back in 1924. About 7,000 Dads and Grads gathered in the old gymnasium the night before the game to drum up the necessary enthusiasm to help the Gators defeat Drake University the next day, 10 to 0.

From that spontaneous gathering in 1924 has grown what is very likely the largest, most colorful and noisiest pep rally on the college sports scene today. A student committee of Florida Blue Key works a year ahead to set the theme. Fraternities and sororities plan their parts months in advance and spend months preparing interior and exterior house decorations, parade floats and skits for Gator Growl. No admission is charged for Gator Growl or other sidelights.

Almost everyone who comes to a Florida Homecoming finds himself torn between more desires than a kid at Coney Island. There is something going on every minute and all too often, for the visitors, colorful events overlap to make the choices more than a little difficult.

Sports editors and writers assigned to cover the Florida-LSU football game on October 24 will be primarily interested in the football game, but those who want to be in on the unforgettable side-show attraction will be one of that huge, happy, fun-loving crowd of folks at Florida Field Stadium Friday night for Gator Growl, a brilliant evening's entertainment in anybody's book.

"GATORS"

(From THE FLORIDA TIMES-UNION (Jacksonville), Thursday, August 19, 1948.)

"MILLER RECALLS CHRISTENING

OF UF TEAMS AS 'ALLIGATORS'

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University at Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator."

At the time it was made, a writer for the Chicago Sun-Times quoted its manufacturer as saying that it is "The World's largest bass drum that will boom properly."
